SURYADATTA CYBERX GLOBAL CONCLAVE 2024

3rd edition of Cyber Security Conclave: Empowering the India's Cyber Guardians

On

Saturday, 9th March 2024

Time : 10.00 am to 4.00 pm

At

**BansiRatna Auditorium
SURYADATTA GROUP OF INSTITUTES
Bavdhan, Pune - 411021**

ABOUT SURYADATTA CYBERX GLOBAL CONCLAVE 2024

Welcome to the Suryadatta Cyberx Global Conclave, an exclusive rendezvous for seasoned IT security leaders propelling India's technological frontier. In an era where innovation is the lifeline for business survival and growth, navigating the accelerating landscape of digital evolution demands foresight and resilience. As a vanguard in security and risk management, empower your enterprise to seamlessly adopt future technologies today while prioritizing safety.

The Cyberx Global Conclave is your gateway to insights from leading security experts, offering strategic blueprints, action plans, and best practices. Immerse yourself in illuminating panel discussions, engaging fireside chats, captivating industry keynotes, and cutting-edge solution showcases. This dynamic forum, graced by over 150+ CISOs, CIOs, heads of digital transformation, IT infrastructure, cyber security, information and communication technologies, along with the academic community, provides the indispensable toolkit to fortify your business against evolving risks. Join us in charting the optimal strategic path to resilient and agile digital excellence.

WHAT TO EXPECT ?

**5+ Knowledge
Sharing Sessions**

**300 +
Attendees**

**12+ Eminent
Speakers**

**2+ hours of
networking**

Insights from Masters : Acquire priceless perspectives from global cybersecurity maestros and visionaries.

Networking Excellence : Forge connections with peers, potential collaborators, and trailblazers in the industry through tailored networking events.

Prospects Galore : Uncover promising business prospects and partnerships that can elevate your organization's cyber Security prowess.

Government Dialogues : Immerse yourself in presentations and conversations led by government officials and global leaders as they outline their cybersecurity vision.

Tech Marvels Unveiled : Dive into the forefront of cybersecurity innovation by exploring cutting-edge solutions and technologies presented by industry leader.

WHY YOU SHOULD SPONSOR

Learn from the industry

Understand industry needs: Gain insights from key decision-makers on current trends and challenges in security leadership.

Know your customer one on one

Engage directly with potential customers to assess their needs, challenges, budget, and market preferences.

Build New Sales Leads

Connect with CISOs and senior security leaders at the conference through exhibitions or program participation.

Brand Visibility

Showcasing your company at top conferences with CISOs and senior security leaders elevates your company's profile among prospects and existing clients.

New Business Partnerships

Connect with your prime prospects in a positive, collaborative environment where they're receptive to fresh ideas.

Pre-Scheduled Meetings

Scheduled one-on-one meetings with budget-holding executives keenly interested in your solutions.
